

Awards

THE ANGELA VINCENT AWARD

For Best Young Neurologist Investigator

A single award of **\$1000.00** will be provided.

To be considered for this award:

- Applicants must have submitted an abstract to WCN 2023.
- Applicants should be neurologists in training or early in their career, have an M.D. or equivalent medical degree, hold a post not above that of Associate Professor, and be no older than 45 years of age at the time of the 2023 WCN.
- Applicants should also be a member (trainee or neurologist) of their country's Neurology association or society.
- During abstract submission, applicants should upload their PDF CV with a supporting letter from their department chair (or equivalent).
No submission will be considered if this information is omitted.
- The winner will be chosen by a subcommittee of the WFN Education Committee based on the quality of their abstract and review of supporting documentation.
