

# Virtual Educational Support

Medical education plays an important role in the quality of healthcare delivered across the globe. Physicians, researchers, scientists and other healthcare professionals are increasingly challenged to maintain their knowledge, skills and abilities within their respective professions. By providing an educational grant in support of the educational opportunities below, you will make a vital contribution to these efforts and support better patient outcomes.

All educational grants are managed in compliance with relevant CME accreditation criteria and industry compliance codes. In order to ensure independence of all CME accredited elements, companies providing grants may not influence the topic, speaker selection, or any other aspect of the content or presentation. No promotional, commercial, or advertising materials may be included in the following opportunities. All support will be disclosed to participants.

*All grants are managed in compliance with relevant accreditation and industry compliance criteria.*

Educational Grant in support of an Existing Official Session accepted or invited by the Scientific Committee and supported by an unrestricted grant from the industry.

- Support will be disclosed during the session including a logo slide
- Support will be acknowledged in the Industry Support and Exhibition section of the virtual program

Support our scientific exchange of knowledge and become an exclusive supporter of the virtual platform

- Supporter will receive a daily live notification in the virtual platform including a hyperlink to an external or

internal link

- Supporter will receive an exclusive mailshot sent to all registered participants who agreed to receive updates from the congress
- Supporter will receive the participants list in accordance to GDPR regulations

E-Posters create unique networking and engagement opportunities, generate participants' interest, and are good exposure for authors in the virtual environment, as participants can interact with them via chat. E-poster support includes:

- Signage in the virtual Lobby to the e-Poster page with "Supported by..." and a company logo only
- Support will be acknowledged on the industry section of the virtual congress and on the website

An electronic version of the traditional final program will be available to participants to access the scientific program and other congress information easily and conveniently online and as a download on mobile phones or computer.

With e-Books, participants can use the intuitive Search button, have the ability to bookmark sessions, events, and other information, share information with colleagues and if desired, even print the program. The supporter will not have any input regarding the content.

- Supporter acknowledgment on the cover of the e-Book: "Supported by: company name/logo" (product logo not permitted).
- Support will be acknowledged on the industry section of the virtual congress and on the website

Please note that it is the Exhibitors'/ Supporters' responsibility to comply with the local authority's regulations, EFPIA (European Federation of Pharmaceuticals Industries & Associations) [www.efpia.org](http://www.efpia.org), Medtech Europe (represents Medical Technology industry)

<http://www.medtecheurope.org/> and IFPMA (International Federation of Pharmaceutical Manufacturers & Associations) [www.ifpma.org](http://www.ifpma.org) Code of Practice on the promotion of medicines.
