

What to expect

The XXV World Congress of Neurology will be the first-ever WCN to take place entirely online and it will be a one to remember!

At the Virtual WCN 2021 we will connect, share and learn:

- **Immersive and personalized virtual experience:** You will enjoy a fully personalized, interactive virtual platform with a unique Italian flavor. Take part in all scientific sessions, oral presentations, view e-posters, and join live debates.
- **Watch scientific sessions live and on-demand:** We have prepared an exceptionally exciting and diverse scientific program. You will be able to join live sessions and interact with speakers, as well as access content on-demand whenever and wherever you want for up to 3 months after the congress.
- **Earn 35 European CME credits (ECMEC):** Participate in the scientific program and be eligible to receive CME credits.
- **Network with your peers:** This WCN 2021 Virtual Congress will give you a chance to engage with and learn from world-renowned international practitioners, researchers and professionals. Join chats and video groups, send questions to presenters, and of course, connect via [Facebook](#), [Twitter](#) and [LinkedIn](#).
- **Visit the Virtual Exhibition Hall:** Discover the latest developments from the industry at the booths and speak directly with organization/company representatives.
- **Discover Rome virtually:** Get a taste of The Eternal City with our special virtual tours around some of its most famous monuments.

- **Advance your knowledge:** Access the latest scientific information and contribute to the field of neurology from the comfort and safety of your own home.
